SHE CAN:

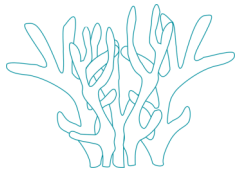

RIG

Attend classroom instruction to cover the basics.

Find a study partner and challenge yourself to know all the proper names for the boat parts and sails.

Learn how to prepare the boat for a sail, including:

- ◇ the jib
- ◇ main
- ◇ spinnaker

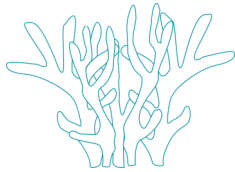

DOCK

Learn how to leave and return to the docks with confidence.

Manage the motor.

Handle lines with style and skill.

TALK LIKE A SAILOR

POINTS OF SAIL

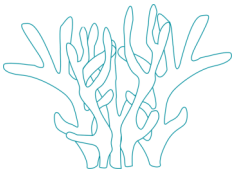

- ◇ Correct heading and sail trim for each, on either tack

WIND DIRECTION

- ◇ Identify 3 wind indicators

BASIC RULES OF THE ROAD

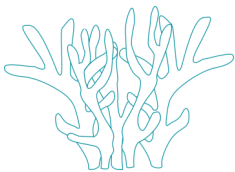

- ◇ Opposite tacks (port and starboard)
- ◇ Same tack (windward and leeward)
- ◇ Overtaking
- ◇ Sail vs. power boats

CRUISE

Go for a cruise on Clear Lake.

Show your friend how she too can grow a passion for sailing by taking her out for a sail.

RACE

Sail in a club series (Sunday afternoons.)

- ◇ Crew
- ◇ Skipper

Sail on Galveston Bay in a women's regatta.
